TERMS

A new FRI lease is available directly from the Landlords.

LOCATION

Frimley Business Park is prominently located adjacent to Junction 4 of the M3, providing excellent links to the M25, A3 and the national motorway network. The Park is also conveniently placed for both Frimley and Farnborough railway stations, offering regular services to Guildford, Reading, Gatwick Airport and London Waterloo.

The Business Park has a wide range of amenities on its doorstep. A short walk from the park via a dedicated walkway is Frimley town centre offering a number of retail and convenience amenities for staff including a large Waitrose.

ESG

NEED TO MEASURE AND REPORT YOUR ENERGY USAGE?

Frimley Business Park will facilitate usage tracking throughout the building enabling your business to control costs, improve environmental responsibility and awareness, optimise production and assist with compliance with Government regulations.

BREEAM Excellent rating

LED lighting to the office areas with daylight sensors and PI to ensure reduced costs

VRF heating and cooling system powered by air source heat pumps which is 75% more efficient than conventional HVAC systems

Thermal insulation and air tightness in excess of building regulation standards to ensure reduced operational costs

Solar PV to the roof system which will significantly reduce operational costs

Guarantees and warranties which will assist with repair costs over the period of the lease.

EPC A+ puts Frimley Business Park in the top 1% of buildings in the country in terms of energy efficiency

Net zero CO₂ emissions for regulated energy use (EPC A+)

Surface water drainage as part of the sustainable urban drainage system which recycles water in the building to promote re-use and reduce running costs

EV charging to each unit promoting more sustainable travel for staff and fleet vehicles. Ducting in place for further charging points should an occupier wish to install more

WANT TO IMPROVE STAFF WELLBEING AND RETENTION?

10% of rooflights to warehouse, providing excellent natural light – which has been proven to increase staff productivity by 25% and decrease operational costs

Natural light to offices, creating an environment to attract and retain staff. Working in light spaces promotes better sleep and productivity for the workforce

Landscaped grounds with river walks providing green space for staff to explore on breaks – improving welfare and creating a healthy environment

Solar gain and sound proofing to the windows to ensure a positive working environment for staff

Shower facilities to encourage cycling to work and green travel

Cycle parking

CARBON REDUCTION TARGETS

Frimley Business Park is targeting an operational net zero carbon development.

This will allow your business to enhance its brand reputation by occupying a building aligned with your carbon reduction targets.

Frimley Business Park is targeting a BREEAM rating of Excellent, which will put it in the top 10% of sustainable units.

The buildings are brand new, efficiently space planned and will reduce ongoing maintenance/insurance costs.

Reduce your operational costs and improve your sustainability credentials.
